

SAFETY RECALL NOTICE

DEWALT DW660 Cut-Out Tool

DEWALT Industrial Tool Co. is recalling to repair certain DW660 Cut-Out Tools because it may be possible for a wire in the handle to touch the arbor shaft, creating a possible shock hazard under certain circumstances.

Model Number	Description	Affected Date/Code Range
DW660	Heavy-Duty Cut-Out Tool	200601 through 200639
Tools with a letter "V" stamped on the product nameplate are not affected by this recall.		

If your cut-out tool is affected, **STOP USING IT IMMEDIATELY**, and call DEWALT toll-free

1-888-263-9051

between 8:00 AM and 5:00 PM Eastern Time, Monday through Friday to arrange for a free repair. For more information log on to DEWALT's web site at
